

Meehan's Industrial is currently seeking full-time experienced millwrights to join our growing team in Cambridge, Milton & Hamilton.

The Job:

Millwright tasks include:

- Perform repairs to machinery & plant support systems including pneumatic, hydraulic & mechanical repairs.
- Perform scheduled preventative maintenance.
- Installation of new machinery & relocation of existing machinery.
- Successful millwright candidates will have the skills & experience required to work safely & independently or as part of a small team.

The Candidate:

- Thrive in a great team setting.
- Good attitude.
- Ready to take the next step in your career.
- Millwright license and 1 year of experience as a Millwright.
- First aid and other safety training is an asset.

Meehan's Industrial welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.
